### The Final Scapegoat

Dear Friends in Christ,

We are entering Holy Week with our attention focused on the cross and what Jesus has done for our salvation. I have found a helpful explanation of Christ's death in a book called *Transforming Leadership*. The authors, Norma Cook Everist and Craig L. Nesson identified the human tendency to resolve conflict by finding someone to blame. "Whenever fear and anxiety levels are raised," they claim, "human groups inevitably gravitate toward the identification of a specified individual or group as the cause of that fear or anxiety." I find this to be true in all kinds of ways. Sociologists see it manifested in rituals and stories of people and call it the "scapegoat mechanism." Psychologists recognize the "blame cycle" at work in marriages and other family systems. Scapegoating is at the core of sin and how it is lived out in our relationship with God and one another. From the beginning of time, the fingers were pointing. Adam blamed Eve and Eve blamed the serpent for this first act of defiance against God's will.

I encourage you to take a moment to reflect on your own life. Begin to name the various people or institutions or situations that you have blamed in the last several months. We have seen how this vicious cycle has spun as the world is dealing with the pandemic. It has become political, with fingers pointing in all directions. The divisions are deep and injustice prevails. When our sentences begin with an "if only," then we have targeted our scapegoat. When we do not like the change that takes place, we often try to find someone to blame. Just pay attention to an argument and you will most likely see this behavior.

It doesn't have to be like this. There is another way; it is the way of Christ.

In the story of Jesus' death, we see the scapegoat pattern at work. Jesus was the scapegoat as Religious leaders, the Roman government and the crowds, called for his crucifixion. As you know, Jesus did not deserve to be executed. Jesus died as the final scapegoat. As a result, the events of Holy Week remind us that we need not turn other people into scapegoats. The blame cycle stops at the foot of the cross. This is where the power of the Resurrection changes our lives. Jesus did not rise from the dead to get even. The living Christ is present and at work in our lives to break the cycle and reverse the course of sin and death. Love wins....always!

From Pastor Kathy's Desk: *(Continued from first page)*

My prayer for us as a congregation is that we grow in our understanding of God's love so that we bear witness to the living Christ in the ways we love and care for each other and especially the others we may not yet know and who are possibly most different from us. These are our neighbors to love. As Jesus said, *Indeed, God did not send the Son into the world to condemn the world, but in order that the world might be saved through him.*

This is how we celebrate God's love and serve in Jesus' name!

With you in Christ,

*Pastor Kathy*

## CARING CUPBOARD MINISTRY

The Caring Cupboard Coordination Team (Andrea & Brad Hersh, Jill and Mitch Keeney, Bob & Barbara Strangfeld) held its first meeting on Tuesday, March 5. Thanks to the efforts of Doug West, the Social Ministry Team, the Youth Group and church members, the Caring Cupboard has been able to help many, many adults and children in our community with emergency food supplies in their time of need. The Coordination Team was formed to assure that this much needed ministry will continue to serve these needs.

At its first meeting the Coordination Team adopted the following Mission Statement:

*In response to the biblical question, "Lord, when did we see you hungry?", the mission of the St. Matthew Caring Cupboard is to provide emergency food supplies available 24 hours a day, 7 days a week to all those in our community who may suffer from hunger and food insecurity regardless of cause."*

The Coordination Team and members of the Social Ministry Team will be monitoring the Caring Cupboard daily to insure it is adequately stocked. In addition, we have organized a stockpile food closet in the Church Administration Building. Food donations for the Caring Cupboard may be placed directly in the Cupboard itself at any time. The Cupboard is located in front of the Church Building. Donations can also be left in the box provided at the church entrance nearest to the elevator or brought to the Administration Building during regular hours. If you would like to volunteer for the Caring Cupboard Ministry, please contact one of the Coordination Team Members. You can also email, call or text Barbara Strangfeld at [bstrangfeld133@comcast.net](mailto:bstrangfeld133@comcast.net), (570) 702-7202.

### VOLUNTEERS ARE NEEDED TO DELIVER

Easter flowers to our homebound members on Monday, April 5, at 9:30 a.m. It usually takes only a short time and our shut-ins really appreciate not only the flowers but talking with folks from the church. It is a very rewarding experience. We will meet in the flower room behind the choir loft. If you can help, please contact Doris in the church office, 717-637-7101, ext. 225.

**MANY THANKS TO ST. MATTHEW MEMBERS:** Below are a few excerpts from letters sent to St. Matthew on behalf of several organizations that we have sent aid to recently:

From Lutheran World Relief:

*“We recently received your gift to Lutheran World Relief. Thank you! I’d like to share a story of the great work your gift will support.*

*Kapinga Eudoxi, 43, lives in a village in the Democratic Republic of Congo that is plagued with water-borne diseases like typhoid. Children and adults were getting sick — some dying — and the community needed help.*

*With your support, villages like Nsange-Nyembwe are receiving access to safe water. ‘It is the delight of our hearts to change our village,’ exclaims Kapinga. Your gift made a world of difference in reaching over 271 villages in the region — that’s 244,964 people impacted.”*

From Hanover Area Council of Churches:

*“Thank you for your generous donation which will be applied to the greatest needs of the Hanover Area Council of Churches.*

*Your commitment to helping such ministries as Provide-A-Lunch (PAL), Meals-On-Wheels, Clothing Bank, Faith-At-Work, Changing Lives Homeless Shelter, Public Worship, Ruth’s Harvest, Community Health, Hispanic American Center, Hanover Cares: House the Homeless and other ministries is sincerely appreciated. With the help of contributions from you and other supporters, we have seen many lives changed for the better. We know that there is so much more work to be done and with your help, we will continue making a difference in the lives of those with needs in the Hanover community.”*

From SpiriTrust Lutheran:

*“It is a pleasure to thank you for your gift to support SpiriTrust Lutheran. We are grateful for your belief in our mission and the meaningful action you have taken to support the people we serve.”*

From ELCA World Hunger:

*“Thank you for your gifts received by ELCA World Hunger in January 2021.*

*Your generosity is getting at the root causes of hunger and poverty in over 60 countries including the United States. It is providing access to clean water, health care, agriculture, livestock, education, and peace and justice.”*
