

**Aidan J. Patterson**

Aidan graduates from New Oxford High School on May 23, 2024 and plans to begin pursuing his higher education at Harrisburg Area Community College this fall. With aspirations to transfer to Millersville University in two years, he aims to obtain a degree in Communications with a specialization in radio.

Throughout his high school tenure, Aidan showcased his musical talent, playing trumpet in concert band and contributing to the marching band and indoor percussion sections, particularly enjoying his role in the pit. His dedication to music led to notable achievements, including 3rd place in Cavalcade Championships, a three-peat victory at KIDA Championships, and superior ratings at the PMEA adjudication. Aidan attributes his success to his band director, Shawn Campopiano, a teacher who saw the positive in Aidan and never tried to limit him because of his vision.

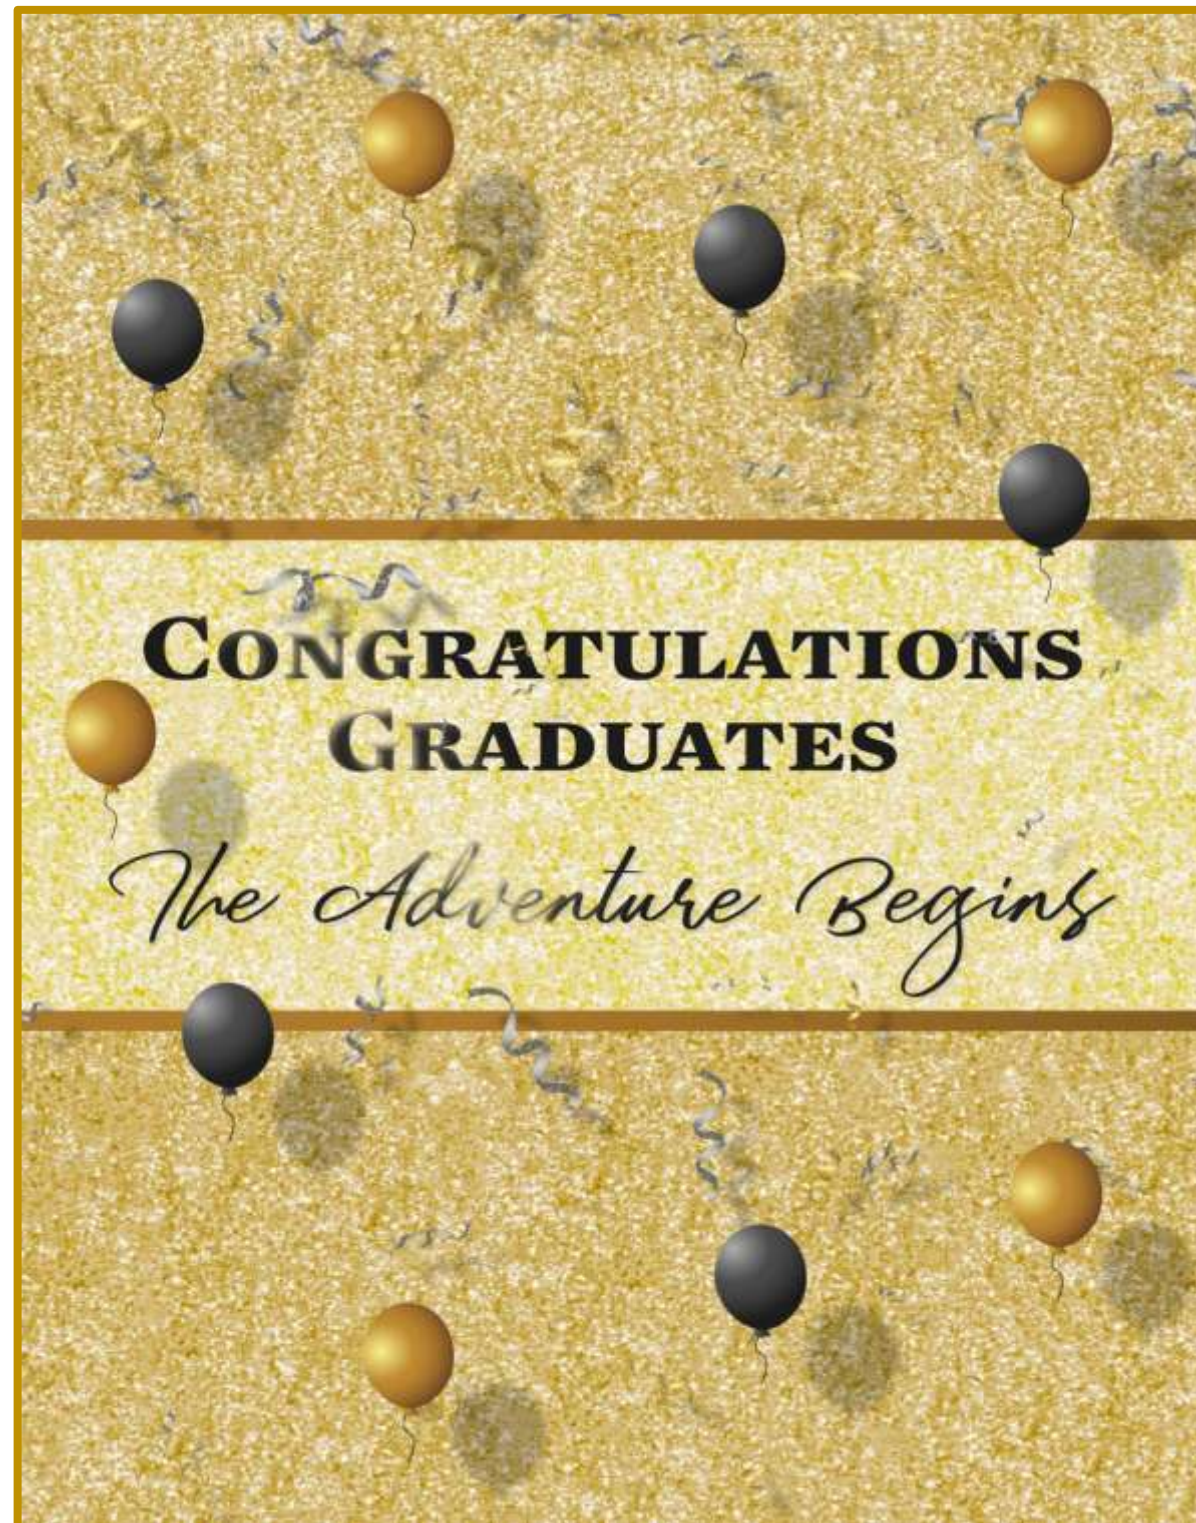

**Mya Plank**

I am graduating from Hanover High School. In the fall I will be going to The University of Pittsburgh for Nursing. After I graduate college I plan on becoming a Nurse Anesthetist.

**Gracie Troup**

I'm graduating from Hanover High School. In the fall I will be attending Duquesne University in Pittsburgh, PA for Secondary English Education. In the future I plan to be a Child Life Specialist or social worker in a hospital!

### **Holden Avery Crabbs**

Graduating from New Oxford High School  
Member of the National Honor Society, Varsity Football, Basketball, and Track & Field Teams  
He will be attending Sacred Heart University in Connecticut as a member of their Honors College majoring in business. He will also be a member of their Men's Track & Field Team (Division I).

Hi! My name is **Zoe Dozier** and I am graduating from Hanover High at the end of May. Graduating will definitely be bittersweet, because of the memories I've made throughout high school. Choir, cheerleading, student council, and student government have all filled my schedule through the years, along with spending time with my friends and family! After being introduced to St Matthew early in my high school career, I became very thankful for the sense of community I have felt here! In the fall, I plan to attend Penn State Altoona to major in Business Administration. Thank you all for the support:)

**Anna Farmer** is graduating from New Oxford High School. She will be attending University of Pittsburgh to study Engineering. During high school, Anna participated in orchestra, band, and miniTHON. She was secretary of the Class of 2024 and was part of the varsity swim team.

My name is **Libby Huston**. I currently attend Hanover High School, however, I will be attending Penn State University in the fall of 2024. I plan to major in BioRenewable Systems, in the College of Agriculture, leaning how to engineer sustainable materials for commercial use. Once I am at Penn State, I plan to involve myself in campus clubs such as Bible study Groups and Intermural volleyball. Throughout my years in high school, I have been a part of the National Art Honor Society, Student Council, National Honor Society, MiniTHON Committee, Link Crew, and Key Club. Along with organizations, I have participated in a couple of sports including volleyball, basketball and track. Outside of school, I play club volleyball, serve as a junior representative for the Hanover Borough Council, try my best to stay involved with our Youth Group, and also spend time with my friends and family. Along with these activities, I was a delegate of the 2023 Washington Youth Summit on the Environment, a member of the 2022-23 Future Leaders of York, and I helped build a house in Minneapolis with our Youth Group in 2022. Furthermore, I am proud to be the President of the National Art Honor Society, Captain of the Hanover High School's volleyball team, and the 2024 Homecoming Queen. These activities have shaped me into the person I am today and I am forever grateful for my endless support and countless opportunities.
